Centenary College

Now in its 23rd year as an NCAA Division I athletics conference, the Mid-Continent Conference is coming off a year in which its student-athletes, coaches, administrators and teams continued to strengthen its reputation as a nationally competitive and well-respected league. The Mid-Con's member schools - Centenary College of Louisiana, Chicago State University, IUPUI (Indiana University-Purdue University Indianapolis), UMKC (University of Missouri-Kansas City), Oakland University, Oral Roberts University, Southern Utah University, Valparaiso University and Western Illinois University - are located primarily in the Midwest's largest urban areas, and pride themselves on providing quality athletic, academic and social experiences for their student-athletes.

The Mid-Con sponsors an all-time high of 19 championship sports, which includes: baseball, men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, softball, men's and women's swimming & diving, men's and women's indoor track & field, men's and women's outdoor track & field, men's and women's tennis, and volleyball.

A brief review of the Mid-Con's highlights over the past two decades:

1982-83

The Association of Mid-Continent Universities is founded with "Frosty" Ferzacca as its first commissioner. The initial AMCU line-up includes Cleveland State, Eastern Illinois, Illinois-Chicago, Northern Iowa, SW Missouri State, Valparaiso, Western Illinois and Wisconsin-Green Bay.

1983-84

UW-Green Bay and Eastern Illinois each play in the NCAA Men's Soccer Tournament, making them the league's first NCAA Tourney teams in any sport.

1985-86

Cleveland State earns the AMCU's first national recognition in the NCAA Men's Basketball Tournament. The 14th-seeded Vikings upset No. 3 seed Indiana on their way to a "Sweet 16" appearance. In addition, SW Missouri State begins a string of five consecutive postseason appearances by reaching the quarterfinals of the NIT.

1987-88

The AMCU sends two teams to men's basketball postseason play for the third straight season. Ferzacca steps down as commissioner and is replaced by Jerry Ippoliti. Eastern Illinois' Jim Maton is the league's first NCAA National Champion, as he wins the 800 meter run at the NCAA Indoor Track Championship.

1989-90

The AMCU sends a conference-record three teams to postseason play in men's basketball, including Northern Iowa, which upsets former No. 1-ranked Missouri in the first round of the NCAA Tournament. The AMCU changes its name to the now familiar Mid-Continent Conference.

1990-91

For the second straight season, the Mid-Con sends two teams - in this case, Northern Illinois and UW-Green Bay - to the NCAA Men's Basketball Tournament.

1991-92

The league announces that it will begin sponsoring women's athletics - strengthened by the membership of seven former North Star Conference members - the following year with the debut of six championship sports. UW-Green Bay's Tony Bennett establishes the league's all-time scoring record in men's basketball and wins his second straight Mid-Con Scholar-Athlete of the Year Award.

1992-93

UW-Milwaukee wins the first Mid-Con-sponsored women's championship when it takes home the cross country crown. Northern Illinois makes the first NCAA appearance by a Mid-Con women's team in the NCAA Women's Basketball Tournament. Wright State's Brian Anderson is the third overall pick in the Major League Baseball draft after repeating as the league's Pitcher of the Year.

1993-94

Northern Illinois' volleyball squad posts the league's first women's NCAA Tourney win with a three-game triumph over Illinois State. UW-Green Bay upsets California in the first round of the NCAA Men's Basketball Tourney. Six schools depart the Mid-Con at the conclusion of the season.

1994-95

The league's revamped line-up includes Buffalo, Central Connecticut State, Chicago State, UMKC, Northeastern Illinois and Troy State. Jon Steinbrecher begins a league-record nine-year tenure at the Mid-Con helm when he replaces Ippoliti as commissioner. Valparaiso begins a string of five straight regular-season titles and six consecutive Mid-Con Tournament titles in men's basketball.

1995-96

Charter member Eastern Illinois departs the Mid-Con, but not until after winning its ninth men's outdoor track and field title, a record for all Mid-Con sports that still stands.

1996-97

Buffalo (cross country) and Valparaiso (volleyball) earn the first-ever "three-peats" in Mid-Con women's athletics.

1997-98

Oral Roberts and Southern Utah join the Mid-Con. Oral Roberts begins a string of six straight Mid-Con volleyball titles, and wins its first-round match in the NCAA Tournament by edging Arizona in five games. The Mid-Con becomes one of few NCAA Division I conferences across the nation to simultaneously run its basketball championships at the same neutral site. Valparaiso reaches the NCAA "Sweet 16", thanks to the efforts of NBA draftee Bryce Drew, who hits "The Shot" which eventually earns him an ESPY from ESPN. Youngstown State earns the first Mid-Con women's tourney win, topping fifth-seeded Memphis in the first round.

1998-99

IUPUI and Oakland begin competition in the Mid-Con. Western Illinois wins its eighth men's swimming and diving title. Associate member DePaul reaches the NCAA Softball College World Series, posting a third-place finish, and sets a Mid-Con single-season record with 54 wins.

1999-2000

Southern Utah finishes 21st in the NCAA Men's Cross Country Championship. Western Illinois softball reels off a 25-game win streak behind Mid-Con Pitcher of the Year Holly Killion, who sets Mid-Con records with 30 wins and 355 strikeouts.

2000-01

Oakland women's soccer player Anita Rapp - a two-time Mid-Con Player of the Year (1999, 2001) and a WUSA draftee - earns a Gold Medal while playing for her native Norway in the 2000 Olympic Games. The Mid-Con renames its Women's All Sports Award for retiring Western Illinois Director of Athletics Dr. Helen Smiley.

2001-02

Southern Utah sweeps the Mid-Con cross country championships for the fourth straight year, while UMKC captures the conference's first-ever NCAA Men's Soccer College Cup win, a 2-1 overtime triumph over former league member UW-Milwaukee. Oral Roberts' Krista Ragan sets the Mid-Con women's basketball career scoring record (2,105), and becomes the first player in league history to earn four first-team all-conference citations in the sport. Valparaiso posts the biggest turnaround in NCAA women's basketball (from 7-22 in 2000-01 to 26-7 in 2001-02) on its way to reaching the quarterfinals of the WNIT. UMKC's Matt Voelker earns outdoor track and field All-America honors in the high jump.

2002-03

The Mid-Con sets a league record by sending four teams combined - IUPUI (NCAA) and Valparaiso (NIT) on the men's side and Valparaiso (NCAA) and Western Illinois (WNIT) on the women's side - to basketball postseason play. Oral Roberts' Marsha Dawkins earns All-America honors in the 400 meter dash at both the NCAA Indoor and Outdoor Track and Field Championships. IUPUI women's basketball player Tiffany Kyser is Indiana's recipient of the NCAA "Woman of the Year" award (she is also a finalist for the national award). Steinbrecher resigns as commissioner and is replaced by Ron Bertovich.

2003-04

Centenary begins Mid-Con play, lifting the league's membership to nine. The Mid-Con sends two teams (UMKC, Oakland) to the NCAA Men's Soccer College Cup for the second time in league history, and Oakland's swimming and diving programs set league records for consecutive titles when they sweep the Mid-Con Championships for the fifth straight time. UMKC's Michael Watson finishes his career as the league's all-time leading scorer (2,488) in men's hoops, while Oral Roberts' Caleb Green and Ken Tutt are the nation's highest scoring freshman duo. Valparaiso becomes the first program to repeat as the Mid-Con Women's Basketball Tournament champion. Oral Roberts sets a league record with 50 wins and finishes the season ranked in all four of college baseball's polls, while All-American Dennis Bigley is only the second player in league history to be named the Player and Pitcher of the Year in the same campaign. Southern Utah becomes the first Mid-Con school to sweep the men's and women's cross country and indoor and outdoor track and field crowns in the same year. Oral Roberts' Prince Mumba (800 meter) and Aubrey Martin (shot put) earn All-America honors at the NCAA Outdoor Track and Field Championship; Mumba runs for his native Zambia in the 2004 Athens Olympics, while Valparaiso's Joaquim Gomes plays for the Angolan Olympic basketball team. Martin and Oakland swimmer Chris Sullivan both comete in the U.S. Olympic Trials. Western Illinois wins a league-record fifth Commissioner's Cup. The Mid-Con Men's All Sports Award is renamed for retiring Valparaiso Director of Athletics Dr. William Steinbrecher.

MID CONTINENT CONFERENCE

SHREVEPORT-BOSSIER CITY

Centenary College is located two miles from downtown Shreveport, the third largest city in the state of Louisiana. Shreveport is located on the west bank of the Red River in Northwest Louisiana. Over 300,000 people reside in the metropolitan Shreveport area.

Shreveport is considered the geographical, cultural, and economic center of the region know as the Ark-La-Tex, encompassing East Texas, Northern Louisiana, and Southern Arkansas. Shreveport is only a few hours away by car from other major cities such as Dallas and Houston in Texas, Baton Rouge and New Orleans in Louisiana, Jackson, Mississippi, and Little Rock, Arkansas.

Shreveport is separated from Bossier City by the Red River, but many locals consider themselves residents of the Shreveport-Bossier region as a whole instead of one of the specific cities. People who live here think nothing of crossing the river to take in an event, no matter which city is the official host.

There seems to always be a festival going on that shines a spotlight on some aspect of life in Shreveport-Bossier that is unique. In May, the Mudbug Madness Festival celebrates the abundance of crawfish found in the area, while African-American culture is celebrated in June with the Good Times Roll Festival, featuring music, art and food.

One of the major highlights of the year in Shreveport is the State Fair of Louisiana, held every October. The fair features more than 70 rides and one of the finest livestock gatherings in the United States.

Another major event that showcases Shreveport on a national level is the Independence Bowl, held in late December. The annual football game, featuring a team from the Big 12 Conference against one from the Southeastern Conference, is carried on national television and showcases the Shreveport-Bossier community coming together to make the event a success.

That is not the only athletic competition held in the area. The CenturyTel Center, a 12,000-seat arena opened in 2000, is the home of minor league hockey and arena football, as well as basketball games and wrestling events. National fishing tournaments and golf tournaments have also been brought to Shreveport-Bossier in recent years.

The area features a wide range of museums, from autos and aviation to science and Elvis Presley. Many of the buildings in downtown Shreveport are now listed on the National Register of Historic Places, and a trip to the piney woods of Northwest Louisiana will yield visits to rural towns such as Vivian, Plain Dealing and Shongaloo, each one with its own collection of treasures, history, and fine dining.

There are plenty of outdoor activities in the Shreveport-Bossier area. From hiking at the Cypress Black Bayou Recreational Area to golfing at Olde Oaks Golf Club, a Hal Sutton signature course and part of the Audubon Golf Trail, there is something for everyone.

Festival Plaza near Downtown Shreveport, where many gatherings are held throughout the year, such as the Mudbug Madness Festival and the Red River Revel.

Centenary College

CENTENARY ATHLETICS

Centenary College of Louisiana has fielded an athletic team in at least one sport since 1894, when the football team faced Louisiana State University. Centenary's football squad was one of the best in the South in the first half of the 20th century, the high point being an undefeated 10-0 season in 1927.

Centenary produced professionals Conway Baker, Buddy Parker, and Cal Hubbard. Hubbard is a member of three halls of fame: Pro Football Hall of Fame, College Football Hall of Fame, and Baseball Hall of Fame. However, the poor oil economy in the area forced the discontinuation of the football program in 1947.

The 1920s saw the establishment of the men's basketball and baseball teams at Centenary. The basketball Gents have had 45 seasons with a .500 or better winning percentage, including the 2003-2004 campaign.

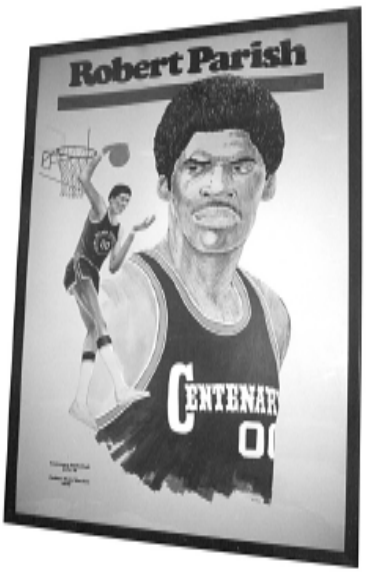
From 1972 to 1976, Robert Parish dominated Centenary's opponents, leading the Gents to an 87-21 record over that span. Parish still holds numerous Centenary records, including the single game scoring record (50 points vs. Lamar in 1972), the single season rebounding record (18.7 rpg in 1972-73), and the career record for most field goals made (1,034). Parish was drafted in the first round by the Golden State Warriors in 1976 and later, as part of arguably the greatest frontcourt in NBA history, won three NBA championships with the Boston Celtics in the 1980s. He is now a member of the Basketball Hall of Fame.

Hal Sutton '81

With a new 1,000-seat stadium, the baseball team is attracting top players to play for Centenary and top teams to play against the Gents. Thirty-two players who put on the Centenary uniform have gone on to play professionally. In recent years, the Gents have hosted Nebraska, Texas A&M, Kansas, Arkansas, Alabama, Iowa, Kansas State and Boston College at Shehee Stadium with Michigan State, Indiana, and UConn among those teams scheduled to visit Shreveport in 2005.

In 1980 the Golf Magazine College Player of the Year did not come from a traditional power. Hal Sutton, a native of Shreveport who stayed home to attend Centenary, won that honor as well as the 1980 U.S. Amateur. Sutton has gone on to win two Players Championships, a PGA Championship, and a Tour Championship. He has also earned a spot on four U.S. Ryder Cup teams and served as captain of the 2004 Ryder Cup team.

Recently, Centenary athletes have found their names at or near the top of the NCAA rankings. In 2000, women's soccer player Lara Brown led all Division I players in points per game and goals per game. Ronnie McCollum followed suit during the 2000-2001 basketball season, leading the nation in scoring. Andrew Wisniewski picked up where McCollum left off, finishing in the top 30 in assists and the top 50 in scoring during the 2001-2002 season and in the top 20 in scoring and steals in the 2002-03 and 2003-04 campaigns.



Robert Parish '76

With the addition of men's and women's swimming in 2002-2003, Centenary now sponsors 16 intercollegiate sports, as many as any other Division I program in Northern Louisiana. The gymnastics team won the 2004 USAG National Championship, the women's soccer team has won over 65 percent of their matches in the 12-year history of the program, and, most importantly, Centenary's athletes graduate, ready for the real world in whatever field they choose.

Ladies Basketball

"HOME OF THE LADIES"

The geodesic Gold Dome, constructed in 1970, is a landmark located just south of the main Centenary College campus. Besides housing the Centenary basketball teams, the Gold Dome is also the home of the Centenary Ladies volleyball and gymnastics teams.

The multi-purpose facility, constructed at a cost of $1.3 million plus equipment, has a seating capacity of 3,000 with cushioned armchairs on the upper level and bleachers on both sides of the floor.

Unique features of the structure include indirect lighting and the attractive gold anodized aluminum dome. The completely air-conditioned facility also contains office space for the athletic department, a classroom, a hospitality area, and seven large carpeted dressing rooms.

Like the building itself, the floor area is multi-purpose. A portable hardwood floor was inserted in 1989 for basketball. With a Tartan-based surface underneath, the floor area can easily be converted into two crosscourt basketball courts, eight volleyball courts, or 16 badminton courts.

In the fall of 2002, the Wilhite Media Room was completed inside the Gold Dome. The room features stadium seating, a projector, and sophisticated computer software that allows teams to edit game footage in order to better scout and review opponents. The Wilhite Media Room is most commonly used as a meeting room for teams and staff as well as a working room for the media during events held in the Gold Dome. All press conferences are also held in the room.

The Sports Fitness Center is also utilized by the athletic department. The $10 million facility, remodeled and expanded, reopened in 2000 with state of the art weight and exercise machines. Players can workout in the facility both on their own and with their team. Other features of the Fitness Center include: hot tubs and saunas, a pool, dance studios, dressing rooms, and courts for basketball and raquetball.

Centenary College

Centenary College of Louisiana is a selective liberal arts college offering undergraduate programs in the arts, humanities, natural sciences, and social sciences, as well as a limited number of graduate programs. Students and faculty work together to sustain a community focused on ethical and intellectual development, respect and concern for human and spiritual values, and the joy of creativity and discovery. Consistent with its affiliation with the United Methodist Church, the College encourages a lifelong dedication not only to learning but also to serving others.

In pursuit of these ideals, the College challenges its students to write and speak clearly; to read, listen, and think critically; to comprehend, interpret, and synthesize ideas; to analyze information qualitatively and quantitatively; to appreciate the diversity of human cultures; to respect the value of artistic expression; to realize the importance of a healthy mind and body; and to recognize the interdependence of people and the environment.

MAGALE LIBRARY

Academic Program

Centenary College of Louisiana offers three undergraduate degree programs: the Bachelor of Arts, the Bachelor of Science and the Bachelor of Music.

The Centenary curriculum aims to produce graduates of extraordinary intellectual and vocational versatility who are prepared to assume responsible positions in their communities and professions. The College prepares its students in critical thinking and in the fundamental communication skills of writing, speaking and numeracy.

The core curriculum begins with the First-Year Experience, which initiates an emphasis on critical thinking and rhetorical skills in an interdisciplinary context. The balance of the core curriculum further develops these skills while it introduces students to basic areas and fundamental techniques of human inquiry. Specific core requirements are the First-Year Experience and selected courses offering inquiry in the humanities, mathematics, natural sciences, and social sciences. Additionally, all undergraduates participate in the Centenary Plan, which involves a service-learning project, career exploration, and an intercultural experience.

Academic Facilities

Centenary has a personal computer for one of every three undergraduates. Every residence hall room is wired for free, direct Internet and computer connections. Some 30 computer laboratories are spread throughout campus, as are numerous multimedia editing and projection facilities. The Magale Library, the academic heart of the campus, has a wealth of volumes, searchable databases, personal computers, multi-media accessories, and software programs.

Specially equipped buildings and facilities include the Marjorie Lyons Playhouse, the Gold Dome, the Fitness Center and Swimming Pool, Mickle Hall of Science, Hurley Music Building, Jackson Hall, Turner Art Center, and the Meadows Museum of Art.

Faculty

More than 90 percent of Centenary's faculty hold the highest degree in their disciplines. There are 74 full-time and 41 part-time faculty members, with a student-faculty ratio of 12 to 1. There are no graduate students teaching classes at Centenary. The primary emphasis is on teaching, although research and service activities are also important components of the Centenary experience. These activities involve undergraduates to an extent unavailable at large institutions.

Summary

Academic and co-curricular programs support students in their development and encourage them to become leaders in the work place, the community, the nation, and the world at large.

DR. KENNETH L. SCHWAB
President

Dr. Kenneth L. Schwab, President of Centenary College since 1991, has been firmly established as an excellent educator and administrator over nearly 30 years of service. During his career, Dr. Schwab has consistently applauded student-athletes who pursue academics and sports with equal fervor, discipline, and high standards, and it is these characteristics that make Centenary Gents and Ladies stand out among their peers.

A tenured professor in the Department of Education, Dr. Schwab hails originally from Indiana where he received his bachelor's degree from Purdue University in 1969. He then earned his master's in guidance and counseling from the University of North Carolina-Greensboro in 1972 and his doctorate in higher education administration at Indiana University in 1978.

Though Dr. Schwab has held many administrative positions at Centenary and other institutions, he continues to pursue his own scholarship as well, publishing a book, numerous articles, and several institutional planning documents regarding presidential leadership and transformational change. Indeed, Dr. Schwab's keen interest in leadership and strategic planning helped Centenary's latest comprehensive campaign raise over $100 million for the college. This amount exceeded the initial goal by over $30 million, enabling Centenary to build two new music facilities as well as renovate residence halls and the fitness center.

These improvements do not merely benefit the campus, though. From the arboretum to the chapel, the playhouse to the library, recital halls to the Gold Dome, Centenary encourages student involvement, preparing scholars for active civic participation. This small liberal arts institution focuses on the student and endeavors to facilitate academic, athletic, and social development for the whole person. Our faculty and staff are committed to these goals, particularly for student-athletes.

Dr. Schwab has actively involved himself with Centenary students throughout his tenure here. He team-taught Centenary's First-Year Experience program with the college's Chair of Liberal Arts one semester, and he travels with various Centenary groups like the college choir, always remaining a great Gents and Ladies supporter. In fact, he and the Centenary Gent mascot led the campus as they unveiled the new fitness center.

Active on-campus and off, Dr. Schwab participated in the Salzburg Seminar sponsored by the W.K. Kellogg Foundation, served as a European Community Visitor to the Commission of European Communities, and continued his scholarly work at Oxford, Johns Hopkins, and Harvard Universities. He also represents Centenary on a number of community and academic boards, including the Associated Colleges of the South Board of Directors.

Dr. Schwab's wife, Pat, earned her doctorate in education and now teaches a course each semester at Centenary. Their three sons (Kempten, Carlton, and Christopher) played select soccer throughout their school years.

TAYLOR MOORE
Director of Athletics

Taylor Moore, a Centenary alum and former owner of the Shreveport Captains baseball team, became the College's athletic director on July 1, 2003. Moore replaced Dr. David Bedard, who decided to return to the classroom as a professor of health and exercise science after serving as athletic director for almost four years.

A 1969 Centenary graduate and former Centenary baseball coach, Moore was president and majority owner of Shreveport Baseball, Inc., which operated the Shreveport Captains Baseball Club, until he sold the franchise in 2000. The Captains were a Double-A professional baseball club affiliated with the San Francisco Giants.

Moore has stayed active within the Centenary community, serving as a board member and former president of the Centenary Gents Club. In 2001 he received the Centenary Alumni Association's highest honor when he was named to the Alumni Hall of Fame.

Moore takes over a program that began play in the Mid-Continent Conference in 2003 after four years as an independent school. He will use his experience in leadership to make sure that Centenary athletics continues to grow and compete in its new home.

"Centenary has an exciting future ahead in athletics and I am pleased and honored to be able to have a part in it," Moore said. "I've been a member of the Centenary family for so long, I feel like I'm coming home. I have great respect for the College and its role in Division I competition."

Moore has been recognized with the Texas League Award of Merit for 25 years of leadership, the Shreveport-Bossier Advertising Federation's Award of Excellence, the Sports Foundation Sportsman of the Year Award and the *Shreveport Journal* Sportsman of the Year designation.

Long active in local civic affairs, Moore has spent time as a board member of the Frost Foundation and the Committee of One Hundred. Before taking over as athletic director, he served as secretary and member of the Executive Committee of the Centenary Board of Trustees.

"Taylor Moore hit the ground running and we are fortunate to have someone of his caliber to lead us into this historic time for Centenary athletics."

Athletic Trainer
Dustin Bradstreet

Alan Edwards begins his tenth year as head athletic trainer for the Centenary athletic program. Edwards is a 1991 graduate of McNeese State University with a bachelor of science in health and physical education. He earned his master's degree in exercise science at Northeast Louisiana University in 1993. Edwards' services are provided through a partnership between Centenary College and Christus Schumpert Health System.

Dustin Bradstreet enters his second year as an athletic trainer at Centenary having moved to Shreveport from Wichita, Kansas. Bradstreet is a 2001 graduate of Fort Hays State University where he received a bachelor of science degree in physical education with a focus in athletic training. He continued his education at Fort Hays and graduated in 2003 with a masters degree in Health and Human Performance with emphases in exercise science and sports administration. He is certified with the National Athletic Trainer's Association Board of Certification and has been in good standing since 2001.

Edwards and Bradstreet also supervise student and volunteer assistants as they gain valuable experience in their pursuit of becoming Certified Athletic Trainers. Student and volunteer assistants obtain practical experience at home and on the road, working with the Gents and Ladies athletic teams.

The Centenary College sports medicine facility is located on the bottom floor of the Gold Dome, where continued improvements have resulted in an enhanced facility.

The improvements include an upgraded computer system with injury tracking software, the addition of two stationary bicycles, and an increased storage capacity for the daily supplies used in treatments of student-athletes.

The training room is equipped with modalities to assist athletic trainers in the treatment of injuries of Centenary athletes. The room also contains training tables, an ice machine, and a whirlpool.

David Pratt
Sports Information Director

David Pratt is now in his sixth year as a member of the Centenary sports information department. After serving two years as an assistant, he was promoted to director of sports information in 2001. He is the primary media contact for men's basketball, gymnastics, volleyball, and men's and women's cross country. In addition, he assists with the maintenance of the Centenary athletics website and is the color commentator for Gents baseball Internet broadcasts. Pratt oversees all athletic department media relations, publications, statistics activities, and game management efforts.

Pratt is a 1999 graduate of Centenary, earning his bachelor of arts degree in history. He was a shortstop on the Gents baseball team and a member of the history honor fraternity Phi Alpha Theta. He is presently a member of the Louisiana Sports Writers Association (LSWA) and the College Sports Information Directors of America (CoSIDA). His wife Keeley is a 2001 Centenary graduate, an assistant in the Centenary financial aid office, and the sponsor of the Centenary Leading Ladies Dance Team.

Pratt has continued his association with baseball by serving as a board member of the Shreveport-Bossier Men's Senior Baseball League.

Jeffrey Messman
Sports Information Assistant

Jeffrey Messman is entering his first year as Sports Information Assistant at Centenary. He is the primary media contact for women's soccer, women's basketball, men's and women's golf and baseball.

A Washington, D.C. native, Messman attended Pennsylvania State University before graduating from Marymount University (Va.) in 2003 with a Bachelor of Arts in Communications. During his studies at Marymount, he interned with the Washington Freedom of the WUSA women's professional soccer league during their 2003 championship season. He has also worked as an on-air statistician for Comcast and PAX cable networks and for the U.S. Women's National Soccer Team.

Meghan Tveter
Sports Information Assistant

Meghan Tveter is starting her first year as a Sports Information Assistant at Centenary. She is the primary media contact for men's soccer, men's and women's swimming, men's and women's tennis and softball.

Tveter graduated from the University of North Dakota in 2003 with a Bachelor of Arts degree in Communication. While at the University of North Dakota, she served a sports reporter for Studio One and as an intern for the North Dakota athletic department. She also was a member of PRSSA and an account executive for the student run public relations firm.

Originally from Grand Forks, ND., Tveter now lives in Shreveport.

Doug Greenwald
Radio Broadcaster

Doug Greenwald is back for his fifth season as the play-by-play voice of Centenary Basketball.

Greenwald serves as director of broadcasting for the Fresno Grizzlies of the Pacific Coast League, the Triple-A affiliate of the 2002 National League champion San Francisco Giants. Greenwald has been a minor league baseball announcer for nine years, working in the California League, the Texas League, the Western League, the Hawaii Winter League, the Midwest League, and the Texas-Louisiana League.

Thirteen Ladies regular season contests, as well as all postseason match-ups can be heard on KOKA 980 AM and online at www.SportsJuice.com. Fans can catch all Gents games broadcast throughout the season as well. Check www.GoCentenary.com for details on the broadcasts of both teams.

Among the games available through audio are matchups with in-state rivals Northwestern State, Louisiana-Monroe, and Louisiana-Lafayette. Centenary will also broadcast its non-conference home game against Southeastern Conference school Arkansas on November 21 live from Fayetteville.

The Ladies' first Mid-Con game against Chicago State on January 5 kicks off the conference radio schedule. On January 29, the Ladies will host defending regular season champion Western Illinois and face defending tournament champs and preseason favorite Valparaiso on February 5, both on the road. Fans will hear at least one matchup with every other conference team except Southern Utah, plus both games against Oakland, IUPUI, and Oral Roberts.

Ladies Basketball

Keeley Pratt
Danceline Sponsor

Keeley Pratt will once again lead Centenary's spirit group during the 2004-05 basketball season. Pratt is now the sponsor of the Leading Ladies dance team after serving as a captain and member of the group for two years until graduating from Centenary in 2001. The Leading Ladies perform at all home basketball games and will travel to select road games including the Mid-Continent Conference basketball tournament in Tulsa, Okla.

Pratt has worked hard to improve both the enjoyment shared by the crowd through quality halftime performances and the enjoyment of the Leading Ladies members themselves through various team-building projects. An example can be taken from this past summer when the squad took part in a camp provided by Dallas-area choreographer Kendra Kelley. The Ladies learned five new dances to be unveiled this season and received valuable instruction on technique.

Pratt hopes to continue the long-standing tradition that is the Centenary Danceline by getting alumni more involved. By sharing their knowledge and experience with current members, Pratt seeks to bring the Leading Ladies family together to ensure its future success.

The danceline is well appreciated by the basketball teams and the student body for the long hours and hard work put into training in order to provide an exceptional atmosphere in the Gold Dome on gamedays. The Leading Ladies truly represent what a spirit group is all about as the members receive no scholarships in exchange for their time and effort. They simply enjoy dancing and performing and cheering for their school, Centenary College.

If you are interested or know of someone interested in receiving more information about the Centenary Danceline, contact Keeley Pratt at kpratt@centenary.edu.

ELIZABETH WAMSLEY
Head Coach

Elizabeth Wamsley enters her first season as the head coach of the Ladies after serving as an assistant coach at Centenary during the 2003-04 season. Coach Wamsley has had several years of prior coaching experience, most recently coaching in the Alcorn Central Schools system in Mississippi. In addition to her coaching duties, she was also the strength coordinator.

Wamsley has had a very successful run as a co-coach for several AAU teams. Her 15 & Under, 16 & Under, and 17 & Under girls squads have all captured Mississippi state championships. She scouted and recruited the most elite players in Northern Mississippi to play under her leadership. She also co-coached the 14 & Under team in 2002 and led her NMB Red 16 & Under team to a fourth place finish in the National Shootout in Dallas.

Coach Wamsley enjoyed an extraordinary collegiate playing career during her days at Mississippi State University. She earned four letters in as many years for the Bulldogs and helped the team to three postseason appearances (WNIT in 1998 and NCAA Tournament in 1999 and 2000).

In addition to contributing to the first-ever postseason victory at MSU, Wamsley was named Academic All-SEC in 1998, 1999, and 2000. In 1999, she was the recipient of the Community Service Award and logged more than 200 hours of community service during her playing career. She participated in programs involving the United Way, Habitat For Humanity, elementary reading programs, and other various community organizations.

"I have been blessed to be given the opportunity to take the reigns of a program of which, in my opinion, holds such tremendous potential," said Wamsley. "I have inherited a wonderful group of young ladies who are truly devoted to doing whatever it takes to turn our program into one that will bring yet another sense of pride to Centenary College."

Coach Wamsley earned a bachelor of science degree in business administration with specific international and marketing emphases from Mississippi State in 2001. She also minored in French.

Ladies Basketball

Jay Butler
Assistant Coach

John "Jay" Butler begins his first season as assistant coach for the Ladies. He brings a wealth of experience in all facets of basketball, having 18 years of collegiate coaching experience, 13 on the Division I level.

Butler is no stranger to working at an institution with rigorous academic standards. He comes to Centenary after serving as the head coach of Columbia University for eight years. His Lions were named to the WBCA Top 25 All-Academic Teams for the 2000-01 and 2002-03 seasons and achieved a perfect 100% graduation rate for all eight years during his tenure. Butler coached Columbia to the school's best record in history twice, once in 2001-02 and again in 2003-04. His team ranked first in all Ivy League defensive categories for the 1999-2000, 2000-2001, and 2002-03 seasons as he developed two first-team All-Ivy players and four All-Rookie Team recipients.

Prior to Columbia, Butler was tabbed in 1994 to become the new head coach at St. Mary's College of Maryland, the state's public honors college. In his two years at the Division III school's helm, he established a 100% improvement in the overall win/loss record and achieved a perfect 100% graduation rate.

Butler served as an assistant coach at Brown University from 1989 to 1994, achieving a 98% graduation rate during his five seasons on the Bears staff. His tutelage also helped them gain three consecutive Ivy League Championships from 1992-94 and the Ivy League's first-ever automatic bid to the NCAA Division I tournament in 1994.

For his first head coaching position, Butler took the reigns at Davis & Elkins College from 1986 to 1989. While with the Senators, he instituted the school's first pre-season and post-season conditioning program as well as implementing their first out-of-state recruiting system. Butler achieved a 90% graduation rate in his three years at the West Virginia school.

Butler earned his B.S. in physical education from Castleton State in 1983, earning 10 varsity letters and being named to the school's Athletic Hall of Fame in 1997. He earned his Master's in exercise physiology from the University of Maryland in 1986. Butler is a member of the Women's Basketball Coaches Association and is active with the Fellowship of Christian Athletes.

A native of North Bergen, New Jersey, Butler now resides in Ruston, Louisiana with his wife Tammy. He has two children, daughter Helene and son Joshua.

Centenary College

The Centenary Ladies begin their sixth season in Division I play with a new head coach and new style of play. First-year head coach Elizabeth Wamsley inherits an athletic, albeit undersized, squad from a team she served as the assistant coach on last season. Using their speed to an advantage, the Ladies plan on using a high-tempo, up-and-down, European style of play centered around their guards.

Now in their second year in the Mid-Continent Conference, the Ladies have a better understanding of the teams in-conference as well as the demands of an extensive travel schedule, something Centenary hadn't had to deal with as an Independent. Picked to finish ninth in the 2004-05 Mid-Con Preseason Poll, the Ladies hold an advantage of coming in under the radar and are more than capable of surprising any team in the league.

With Wamsley's promotion to head coach, she brings a fresh attitude and outlook to the Ladies program. Her requirements for a dedicated, hard-working squad will benefit the success of the program this year and in the future. Wamsley coaches an unselfish, team-oriented style of play which not only establishes productivity on the court, but also lends to a more enjoyable style of play for both players and fans.

One of the most important off-season acquisitions for the Ladies was the hiring of Assistant Coach Jay Butler. With over 19 years of collegiate coaching experience, Butler brings an understanding of the necessities for a successful program at a rigorous academic institution. His former programs are no stranger to winning, and he brings a complimentary style of coaching to Wamsley that will help the Ladies develop into nothing less than a great team.

The Ladies will start the season using a three-guard lineup, utilizing their abundance and skill at the position. Newcomer Laura Kizyte takes over at the point after transferring from junior college powerhouse Weatherford College in Texas. She is joined by returning sophomore Holli Wilkins, Centenary's second leading returning scorer from 2003-04. Wilkins is a tremendous athlete who can create her own shot from almost anywhere on the floor. Her 5'11 frame will cause many mismatches at the two-spot because of her ability to play inside or out.

Playing the role of three-guard is veteran Van'esha Brabson, a junior who sat out last season's campaign with a medical redshirt. The return of Brabson bolsters Centenary's defensive presence and adds another viable scoring threat from anywhere on the floor. After seeing action in a reserve role last season, sophomore Jelena Aleksic will get the nod as starting forward. She will be able to showcase her aggressive style of play in significant minutes, using her skill and drive that helped her win multiple Serbian national titles. Also returning beneath the basket is junior Whitney Rushing at center. She has steadily improved throughout her years at Centenary and will be relied on for her presence on the offensive and defensive boards.

Coming off the bench will be junior Lindsay Way, an experienced player with a solid outside shot. She will be joined by Brittany Barbee and Ricquel Crockrom, two true freshmen with impeccable determination and work ethics. Redshirt freshmen Laura Way and Ashley Witherspoon should also see their first action after sitting out the 2003-04 season. Centenary's lone senior and returning leading scorer and rebounder, Carly Melvin, will return to action in January. The Ladies should get an added boost in size, offense, and defense just in time for the Mid-Con conference season to get underway.

The Ladies begin their season at home against Division III LeTourneau before heading on the road for a tough stretch of games. Centenary faces Arkansas in Fayetteville and then travel to Memphis to take part in the Lady Tiger Thanksgiving Classic as they take on the host Tigers and either Louisiana-Monroe or South Alabama. December will give the Ladies competition against many of their in-state counterparts with games against Louisiana-Lafayette, Northwestern State, and what could be a second match-up versus Louisiana-Monroe.

Come January, the Ladies look to make their first postseason appearance since joining the Mid-Con last season. With five returning players having seen extensive league action, Centenary should be able to leapfrog into the top eight finishers this season. Still trying to establish their place in the conference pecking order, this Ladies squad will begin to set a basis for the attitude and drive that the Centenary program will develop into in the coming years.

30

Carly returns as the statistical leader for Centenary. Her years of experience at the Division I level, coupled with her extensive in-conference playing time last season, ensure her an understanding and readiness for the season to come.

2003-04: Carly finished the year third in ppg and second in rpg. She played in all 27 games, averaging 21.8 minutes. **2002-03:** Saw limited time as she battled leg and foot injuries throughout the year. **2001-02:** Carly came to Centenary after attending LSU-Shreveport. She set the all-time record for best 3-point percentage in a game as she sank all four of her tries from behind the arc against top-ranked Louisiana Tech. **Prep:** Attended Byrd High School, helping the Yellow Jackets to four straight playoff appearances including a second place finish in the state tournament. She was named All-District twice.

Laura Way

Redshirt Freshman
5-9, Guard

20

Laura will see her first action this season with the Ladies after sitting out last year recuperating from back-to-back ACL surgeries on both knees. She is a go-getter and has worked extremely hard to get back into playing form.

2003-04: Did not play - Redshirt. **Prep:** Laura earned four letters under coach Ron Miller at Mt. Pleasant Area High School. She was given the Hustle Award, an award for her defensive ability, and was named a Western Pennsylvania Player to Watch.

Ashley Witherspoon

Redshirt Freshman
5-9, Guard

13

Ashley returns this season as a redshirt freshman after making the team as a walk on last season. She is a quiet and shy young lady, but her skill and athletic ability dominate her personality on the court.

2003-04: Did not play - Redshirt. **Prep:** Ashley helped lead the South Beauregard Knights to four consecutive state quarterfinal appearances. She was selected as a member of the Academic All-State team and earned All-District honors.

Brittany Barbee

Freshman
5-4, Guard

11

Brittany is a firecracker, always full of energy and not afraid of working hard, which is shown by her tremendous work ethic. She is by all means a traditional point guard, playing a team oriented style of ball and possesses an unselfish attitude. Only a freshman, the sky is the limit for Brittany.

Prep: Brittany led the SBEC Trojans to a 2003 Sectionals appearance and the 2004 state championship. Named All-District in volleyball and basketball, and All-Region in basketball. She lettered four years each in basketball, volleyball, and track. Brittany was Class President, National Honor Society President, and Miss SBEC.

Centenary College

The 2003-04 campaign marked the Ladies' first season in the Mid-Continent Conference after four years of being an independent. The program was reinstated for the 1999-2000 season.Centenary finished 4-23 overall and 2-14 in conference despite contending for the eighth and final Mid-Con tournament bid through the last week of league play.

The Ladies played a rigorous schedule, including three consecutive games against eventual 2004 NCAA Tournament teams Wisconsin-Green Bay, Austin Peay, and Northwestern State. The strong non-conference games helped prepare Centenary for a long season of tough Mid-Con play.

As the conference season rolled around, the Ladies started on the right foot, defeating Chicago State at home 70-63. After consecutive losses, Centenary battled eventual Mid-Con tournament runner-up Oral Roberts to a disappointing one-point loss on the road. The defeat showed the Ladies they were capable of keeping up with anyone in the league. Despite having only two wins entering their second game with Chicago State, the winner would earn the final spot in the conference tournament. In another close battle, the Cougars downed the Ladies 74-72 and ended Centenary's postseason aspirations.

2003-04 marked the farewell seasons for seniors Alexis Pettway, Julie Danieles, and Louise Smyth, all of whom own all-time individual school records. Pettway leaves as the Ladies all-time leader in career points, rebounds, games played, and 20+ point games while sharing the lead in 30+ point games. She is also second in career scoring average and third in career field goal percentage.

Danieles is second behind only Pettway in career scoring and the duo are the only two players to score more than 1,000 points in Ladies history. She is the leader in three pointers made, attempted, and career percentage and holds the top spot in career steals as well. Danieles finished second in career games played and free throw percentage while ending her career third in assists.

Smyth leaves Centenary second in three-pointers made and attempted and has played in the third-most games in Ladies history. She also shares the single-game record for three-point percentage in a game with Danieles and current Ladies senior Carly Melvin.

Danieles finishes her career with the Ladies as the all-time leader in steals and is second in career assists and games played. She holds school records for 3-point field goals made and attemted in a game, season, and career, as well as single-game and career percentage. One of only two players in Ladies history with over 1,000 points, she ranks second all-time in points scored.

Pettway leaves Centenary as the all-time leader in games played, scoring, and rebounding. She is one of only two players in Ladies history to score over 1,000 points in a career. Her 31 points against Morris Brown on 2/7/02 are the most by a Centenary player since the program joined the Division I ranks in 1999. She shares the record for 30+ point games and holds the record for 20+.

Smyth ends her playing days with Centenary with records in games played and from beyond the arc. She has played over 100 games for the Ladies, finishing third all-time, while ranking second in career threes made and attempted. She shares the single-game record for 3-point field goal percentage and finished first in season-percentage her junior and senior campaigns.

2005 Mid-Continent Conference Championships

2005 Mid-Continent Conference Championships

The John Q. Hammons Arena at the UMAC is the site of the 2005 Mid-Continent Conference Men's and Women's Basketball Championships. The Championships will be held March 5-8, 2005. This marks the first time that both men's and women's tournaments have been contested in Tulsa, Oklahoma. The tournament champions receive automatic bids to the NCAA Tournament.

Tulsa Time

We think you will be taken with Tulsa, a city that surprises visitors with a feeling that is southern, eastern, and western all at once. Experience its cosmopolitan flavor at the same time you delight in its small-town friendliness. We're big enough to have everything you need, but small enough to make you feel right at home. Please visit visittulsa.com to help plan your trip to the 2005 Mid-Continent Conference Championships.

Headquarters Hotel

The Tulsa Marriott Southern Hills Hotel is the host hotel of the Mid-Continent Conference Tournaments. All teams will headquarter at the Tulsa Marriott Southern Hills Hotel. A Mid-Continent media/fan rate has been established. Contact the Tulsa Marriott Southern Hills Hotel at (918) 493-7900 and ask for the Mid-Continent Conference Championships' media/fan rate when making reservations.

Media Credentials

Media wishing to cover the 2005 Mid-Continent Conference Men's and Women's Basketball Championships must contact Mid-Continent Conference Media Relations Director Kristina Peterson at (630) 516-6561 or petersen@mid-con.com for a credential application.
